

# Procurement Contest #2

The school family who procures the highest dollar amount from a merchant will win:

## **\$100 Scrip of YOUR CHOICE!**

**Deadline for entry: Wednesday, March 10th 2010**

- What do we mean by merchant? A place of business (gift card from a restaurant you go to every Friday night, the person that cuts your hair, a relative that has a business that provides a service, where did you have you last birthday party?). Still unsure? Contact one us below.
- Script amount will be 10% of the merchant donation up to \$100.
- Items turned in must meet the guidelines for acceptable donations (min. value \$50, new condition, no clothing, etc.). Full guidelines found in your Auction Handbook or on the website.
- Procurement forms must accompany item. If your item is large, is perishable, or otherwise prevents it being turned in with the form, please just note this on the form and turn in the form for tracking purposes.

### **Need some help?**
