Our parish children are back in classes—both in St. Mark school and our Faith Formation program. This dinner is to welcome everyone, especially our new families, to the new school year. Families are encouraged to come and share a meal and community together.

If you'd like to help with setup, cleanup, food preparation and/or service, please let us know! Contact either Julie or Ellen, or send an email to parentsclub@stmss.org

Hosted by the St. Mark Parent's Club and the K-8 Faith Formation Program
